## 2017-2018 Zonta Club of Fort Smith Member Interest Survey

All members are required to serve a minimum of four hours working for our service projects or scholarship committees. Service hours are defined as the time members spend on the service projects that the club has officially adopted. It does not include time spent on projects the club has not adopted. Service hours do not include the time spent on fundraising for local, district, or international service projects, because this effort is reflected in the club's contribution.

Please check any of the following committees in which you are interested in chairing or serving. Please add any additional comments at the end of the survey.

Return the completed survey to [chapmands@gmail.com](mailto:chapmands@gmail.com) by Wednesday, June 14.
